# Where are we at?

---

Back in February WHELP ran a presentation: Reciprocal Borrowing across Alma institutions – if you want to see the recording please contact: (Jenny McNally - [mcnallyj1@cardiff.ac.uk](mailto:mcnallyj1@cardiff.ac.uk))

So far Salford University has joined the scheme, with another 4 UK HE institutions on our roadmap and hopefully implementing with us soon

The scheme is open to accept new members, if you are interested in joining the scheme please contact: (Jenny McNally - [mcnallyj1@cardiff.ac.uk](mailto:mcnallyj1@cardiff.ac.uk))

We're working on a innovative project to pull together scheme analytics from each institutions Alma's into Power BI
