The Ex Libris Products User Group, UK and Ireland

Autumn Conference 7th Oct 2024

Ex Libris Question & Answer session

Question 1

Will the New Discovery Experience enable library resources (books, journals, etc.) and archival material to be discoverable within the same platform, or is this something that may be considered for future development?

Question 3

Is the new AlmaD (Specto) going to support sub collection searches within Collection discovery? We have been trying to raise this as an issue since we went live with AlmaD in 2020.
